Hi Helen,

From what I heard, we disinvested in facilitation coordination and Debbie Robinson has been reassigned to training. The link below provides a list of facilitators as of 2008 and some of them are still facilitating. Does not reflect new facilitators though.

Hi Jayne

We had a meeting with Ecology on the Pend Oreille TMDL last week and our next meeting will be with both the Kalispel Tribe and Ecology. Ecology requested that the upcoming meeting have a facilitator. I am trying to track down what facilitators we have in region. I am assuming we could not have funding to hire an outside facilitator.

It seems to me that you might be able to tell me where to start looking for facilitators in region 10. Is Deb Robinson still doing this work?
